Please do NOT bleach linens, as it causes the linen to shred. If you cannot remove the stain(s) by pre-treating, please put in a baggie with my name on it and hang on the door with the linen list.

When you pick up the linens, please initial this sheet. If you are unable to take the linens for your assigned week, please make arrangements to switch with someone on the list or if you cannot find a substitute, call me.

If you take the linens and have an emergency which will not allow you to clean or return linens by the following weekend, please call me and I will make arrangements with you to pick them up.
